To whom it may concern,

I would like to recommend Tim Boulware for broadcast position for at your school or radio station. Tim was with my program for four years at Garden City Community College (Baseball) and did an amazing job, day in and day out for us.

With his position, he traveled all over the states of Kansas, Colorado, and Texas broadcasting our games. It did not matter if it was the 34-degree non-conference double headers in Trinidad, CO or the 40th regular season win vs Pratt. Tim has a passion for the sport of baseball as well as the excitement needed to continue his career at a higher level.

He has always been willing to talk baseball off the air to get more of an idea of what possibly could happen in different situations. Every day he wanted more information to inform the listeners of what was going on. I feel very comfortable recommending Tim and I know that he will do an excellent job at any level.

Yours Truly,
